Agreement

I understand this is an agreement for scheduling childcare by a placement services agency.

I agree to not make "side deals" with the babysitter. I understand that each sitter has signed a legal agreement with Vail Sitters that prohibits the sitter from doing additional work for a past or present client of Vail Sitters without written consent by Vail Sitters. Vail Sitters relies on the respect between us. Thank you for respecting this.

I am aware that any cancellation made within twenty-four (24) hours of start of booking, will incur full payment charge. I also accept that there is a three (3) hour minimum charge on each booking.

I hereby relinquish all claims or possible liability with Vail Sitters. At no time will Vail Sitters be held responsible for any damage or loss resulting from this placement with a Vail Sitters referral, including any acts of commission or omission on the part of the referred babysitter. I also agree that Vail Sitters will not be held liable for the reimbursement of any fees arising from any possible court costs or lawyers' fees stemming from any claim that may be made by any person.
